

BTM-WB

Trailer Mixed - Wide Base

Application
specific
Designed by Bandag

NO DETOURS.™

BTM-WB

Category:

- Bandag Trailer Mixed - Wide Base
- Wide-single trailer tyre
- On/Off road
- Regional and severe service

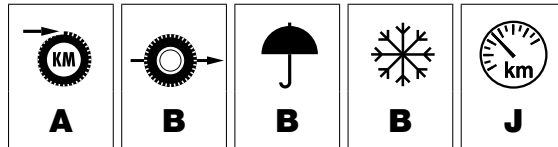

Applications:

- Semi-trailers and trailers in wear-intensive local and mixed driving (on/off road)
- Drive-axes using wide-single tyres

Benefits:

- High resistance against cuts, penetrations, rubber chipping and wear
- Deep tread, ensuring a high mileage
- Reinforced shoulders for maximum protection of the casing
- Self-cleaning, stone-ejecting design
- Mini-Wing technology for like-new looks
- Wide footprint increases stability
